

Letterpress Young Reader Interviews

An Interview with Zosia

Q1. What are your earliest memories of reading books – do you have a particular book you remember from that time?

When I was in Reception class my favourite was 'The Dinosaur who pooped Christmas'. Another one I liked was called 'Where Does the Lake Go?' which had lots of questions in it for children to answer. There were so many books from that time but I really liked 'Spot the Dog', 'The Tiger who came to Tea', 'The Snail and the Whale' and 'The Smartest Giant in Town'.

Q2. What are your favourite kinds of books now?

I like 'Wimpy Kid' and 'Dogman' books because they are exciting and cool. I think it makes the stories more interesting when there are lots of pictures as well as words because it helps me to think about what is happening. It makes me realise how clever the author and illustrators are to tell the story so well. I usually prefer to read short books.

Q3. Have you got a favourite author (or two)

Jeff Kinney is my favourite at the moment.

Q4. How often do you read? Is there a favourite time when you like reading best?

I like to read at school during our reading breaks – we have quite a few. I like to listen to stories when the teacher is reading to us – at the moment she is reading 'Riddle of the Runes' which I am enjoying. At home I sometimes read books in the morning but usually at

bedtime with my mom or dad. I also like reading with my little brother who is in Reception class – he is getting very good at reading to me already.

Q5. Are you hoping to build a book collection?

I keep a collection of all my books in a cupboard in my bedroom. It is completely full now but luckily there is also a shelf by my bed. I am trying to collect all of the 'Wimpy Kid' books but there are a lot.
